

Technical Rider - Pulsar Trio

From left to right:

1. Beate Wein (Piano) left:

>Version 1:

- grand or upright piano: pitch 440 Hertz!
- Bass-Novation Synthie: *mono, DI Box*;
- Pedal Board: *DI Box mono*,
- Voice: *microphone* for announcements only;
- 4 *plug points*

> **Version 2:**

In case there is no acoustic piano available we bring an **E - Piano**.

- E- Piano: *DI Box mono*;
- Bass-Novation: *DI Box mono*;
- Voice: *microphone*;
- 2 *plug points*
- 1 *monitor* for both versions!

2. Matyas Wolter (Sitar) central:

- *Riser* (height 40 - 50 cm !!!, at least 1m x 1m or 1m x 2m, *clean carpet or blanket* on top)
- Matyas' sitar is ready to go, his preamp has a mono D.I. out (*XLR*) that delivers a finished signal
- He brings his own AER amp as monitor, this needs a *short mic-stand* to raise it up.
 - *3 plug points*
 - Monitors NOT required

3. Aaron Christ (Drums) right:

- *Microphones* for 1 Bass Drum; 1 Snare; 1 Hi Hat; 1 floortom; 3 Cymbals (2 *overheads*);
 - *DI Box mono* for Nord-synthpad;
- *One extra phantom-powered XLR channel* for a prepared tin-can (mic is aboard)
 - *1 plug point*
 - *1 monitor*

>appropriate stage light

If you cannot provide any amplification we could bring a small system. Please let us know well in advance.
